

Nextreme **SUMMER GAMES**

Learn how to build a NXT robot and compete against other teams in Dragon Robotics Extreme Summer Games.

Dragon Robotics is offering both Beginner and Intermediate Camps this year for students entering 4th grade & older. Beginner Camps are for students with no experience, and Intermediate Camps are for students who have Robotics Camp experience or Competition experience using NXT Robots. As always, there will be lots of hands-on help by present & past members of the Carroll Senior High Robotics Team, Balanced healthy lunches will be served daily, awesome T-shirts, awards, trophies, culminating in a competition on Friday evening giving parents a chance to attend all awards ceremonies.

SESSIONS:

Beginner June 16 to June 20

Intermediate June 23 to June

Beginner July 14 to July 1,

Intermediate July 28 to August ??
