

## Keep Southlake Beautiful Awards 21 Environment Education Grants to local teachers.

As part of their Environment Education Program, Keep Southlake Beautiful is pleased to announce just over \$3,000 in grants have been awarded to local teachers in order to promote environmental education in their classrooms.

The grants are offered to all educational agencies, public or private, and teachers therein, that are located with the Southlake city limits, utilizing Southlake utilities and/or paying taxes to the City of Southlake. The deadline to apply each year is September 30th. For a complete list of grant requirements, visit [www.keepsouthlakebeautiful.com](http://www.keepsouthlakebeautiful.com).
