March 1, 2007

Dear CSHS Senior and Parents of Graduating Seniors,

Graduation is a time for celebration and the type of celebration can provide long lasting memories for everyone involved. Unfortunately, some memories are not positive if they include drugs and alcohol. That is why Carroll Senior High School PTSO is once again sponsoring a **Project Graduation Celebration**. We are very excited about hosting **Project Graduation** in honor of our 2007 graduates, and want to provide a **fun, safe** and **substance free** evening for everyone.

The all-night event will be held at **Main Event Entertainment** in Grapevine on Friday, June 8th, beginning later in the evening following the graduation ceremony. Activities during the evening will include: unlimited bowling and laser tag, billiards, 100 video and driving games, Blackjack, Texas Hold'em, Craps, caricaturists, door prizes and lots of food. Prizes include such items as computers, televisions, DVD and TV combos, digital cameras, etc. In addition, all participants will receive a Class of 2007 Memory Book at the end of the celebration event. If you have photos of your Senior and their Senior friends from this school year that you would like to have included in the memory book, please leave them in the CSHS front office addressed to CSHS-PTSO Project graduation as soon as possible.

Project Graduation is the result of many volunteer hours. The community has been generous with donations and support of our various fund-raisers throughout the year. Volunteers have signed up to chaperone the event. We are asking the parents for your support. **Parents, please encourage you Senior to join in the festivities!** We have had close to 100% participation for the past few years. We hope every Senior will take advantage of this opportunity to share one last evening together as a class. Ticket and party information is enclosed. If you have any further questions, please do not hesitate to contact me at 817-488-4747 or salex0000@aol.com.

Project Graduation is not just about saving lives, but also about savoring a special moment in one's lifetime. Let's give our Seniors an evening to remember.

Sincerely,

Kathy Alexander
